# Polyethylene BS2581

**Migration limits**

Used monomers and additives are not regulated with specific migration limits. Substances authorised as food additives are not present in the end product in such quantities that migration to foodstuffs could exceed the limits set in the relevant food legislation or have a technological function in the final food.

Borealis Group Product Liability / Tuuli Kunnas

## Disclaimer

The information contained herein is to our knowledge accurate and reliable as of the date of publication. It is the customer's responsibility to inspect and test our products in order to satisfy himself as to the suitability of the products for the customer's particular purpose. The customer is also responsible for the appropriate, safe and legal use, processing and handling of our products. Borealis shall not be under a duty to notify you of any changes to the regulations.

Insofar as products supplied by Borealis or its subsidiary companies are used in conjunction with third party materials, it is the responsibility of the customer to obtain all necessary information relating to the third party materials and ensure that Borealis' products when used together with these materials are suitable for the customer's particular purpose. No liability can be accepted in respect of the use of Borealis' products in conjunction with other materials. The information contained herein relates exclusively to our products when not used in conjunction with any third party materials.
